

## WEBSDR

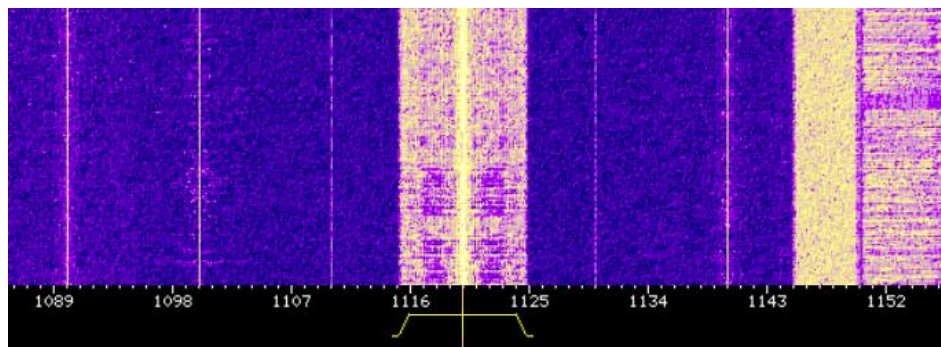

Double Oak, Texas, USA | 13:19 October 12th | Lower side Band, 3828 kHz

Two men having a conversation about installing electrical relays on transformers.

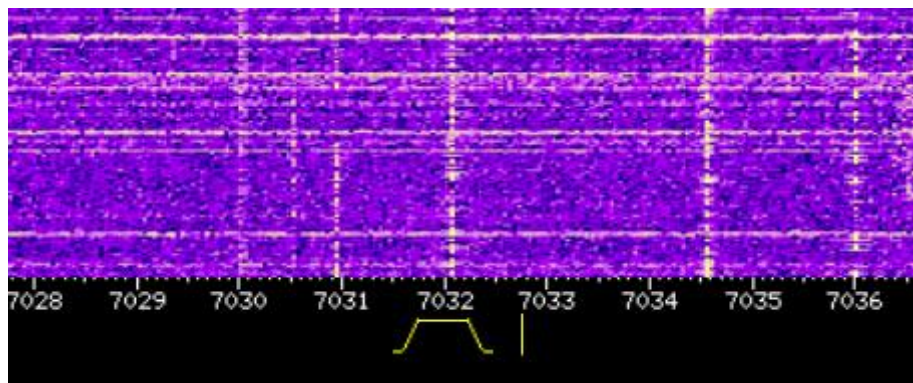

Wyoming, USA | 13:25 October 12th | Amplitude Modulation, 1210 kHz

Country Music Radio Station “New Country”

Northern Utah | 13:36 October 12th | Lower Side Band, 7032 kHz

Unknown encoded morse code.

Northern Utah | 13:39 October 12<sup>th</sup> | Amplitude modulation, 2500 kHz

Time station: Beeps once per second and repeatedly relays current time and date. Kinda cool...
